Astrid glares at him while finding him acting immature, "Relax Snotlout, Hiccup showing how proud he is to his little sister. Besides, aren't you her cousin, so, doesn't that make her your family?"

"Oh lay off Astrid! I hate to see them giving weak, girly feeling! So disgusting!" Snotlout walks off while Astrid is mad at him.

Twilight looks confused while Hiccup understands what is wrong with Snotlout.

Stoick opens his mouth for a minute then realizes about that, "Oh yes, I remember. My little girl becoming a true Dragon Shaman, however, I just got one thing to say."

"What is it?" Twilight and Hiccup said together, which makes their dragon laughs.

Stoick chuckles softly before calming down, "Isn't that cute? All right, this is what I want to sayâ€|after dinner, Twilight, you are going to try control your shape shifting power before the villagers and Mildew know about this and starting to freak out. Hiccup, you are going to help Twilight with this and keep her company. Do I make myself clear?"

"Yes sir," Hiccup and Twilight said together again, but this time Twilight suddenly wags her tail, which makes her feel comfortable again.

Stoick and Hiccup finds that funny as they and the dragons laugh at

her. Twilight glares at them with her ears flip back and her eyes become Night Fury's eye. Now Hiccup and Stoick feel concerns for Twilight now.

Twilight looks up and sees the bed to wags her tail. "Look like someone is happy. All right, with all that set, I am going through the book to read about the shape shifting."

"And I am going to play with Comet and Toothlessâ€|yeah," Hiccup turns to Twilight confuses as she smiles at him innocent.

Hiccup raises his eyebrows while finding Twilight silly, "You are one strange Viking, you know that? Now then, let analyzes what you can do since you are a baby to Toothless and Comet. Maybe you could be a good child to them too."

Twilight glares at them with Toothless laughing at her and Comet holding Twilight back by her tail as she wants to pound Toothless. Comet pulls Twilight over to calms and cuddles Twilight, which makes Twilight feels safe and love. Astrid is next to Hiccup side and kick Hiccup on the side softly, "Hiccup, wake up. Wake up Hiccup. Hiccup, wake up!"

"Oh, I just got wake up early and probably want to train alone in the arena to find you here. So, Twilight and your dragon are here too, but where are they? I don't see them around," Astrid lies to Hiccup while trying to have Hiccup tells her what they are doing here.

Before Hiccup said anything, they hear Toothless and Comet rushing over with a porch of foods for Hiccup and Twilight while Stormfly flies over with an unknown Nadder who happens to be Twilight. Hiccup closes his mouth while he sees Astrid turns around as he comes

up a lie, "Uhâ€¦I-I-I have no idea. Maybe it could be a wild dragon."

"Uh-huh, orâ€¦it could be Twilight as a Nadder since she masters how transform into a dragonâ€¦like a Night Fury," Astrid sees Hiccup's reaction knowing he figure it out. Astrid punches Hiccup's arm hard, "That for trying to lie. So, am I right, Twilight?"

"Yep, and Hiccup has a funny reaction to see me as a Deadly Nadder," Twilight changes back to a human while receiving a glare from Hiccup.

Hiccup glares at Twilight a while at the same time rubbing his arm, "Ha, ha, very funny. Twilight, when did you become a Nadder?"

"I know you are mad and don't want anyone to know about me shape shifting into a dragon, which it is reason to lie to you," Twilight turns to Astrid as she understands the reason then turn back to Hiccup. "I became a Nadder atâ€¦.uhâ€¦"

Astrid and Hiccup watch Twilight tries to remember where she transforms for a while. Hiccup shook his head while question is Twilight being silly or something. As for Astrid, she finds Twilight being silly and adorable.

"Yes, I would love to hear this," Astrid turns to Hiccup with a smirk and her arms cross.

"Sorry, but that doesn't explains why you are hiding?" Astrid has a curious look on her face while seeing a nervous look on Hiccup's face.

"You know, every two months Twilight has a day off for two days ever since we retrieved the Dragon Stone?" Hiccup is on his knees while behind the shelf. Astrid replies to him, "Three times, Twilight pulls pranks on me and makes me play one of her silly games."

"Awww, sound like a little sister having a little fun with her big brother to me. What, you don't like to spend time with her then?" Astrids has a mischievous look on her face.

Hiccup notices the look and finds her not helpful, "I do, but I don't like her silly game and pranks. I â€|."

Hiccup stops when he hears Twilight calling out to him, "Big brother, where are you?"

Astrid glimpses over to Twilight who has a fascinate look on her face. Astrid shakes her head while finding Twilight amusing. Even Hiccup believes Twilight is amusing and adorable when a little dense.

When Astrid calms down, she turns to Twilight curious about what Twilight need, "So tell me, why you are looking for your brother anyway? You need him for something?"

"Oh yes I do. I just come up a game and I need Hiccup to play in. Want to join in sis? I do need one more person. Snotlout agrees to play," Twilight has an innocent look on her face when telling

Astrid and Hiccup, especially Hiccup, decide to play too when they hear what Twilight just said, "What?!"

"Now I see what you mean," Astrid has a nervous looks on her face with Hiccup replies, "Twilight is a tricky Viking I have ever met. You may not know what she will do to you."

Hiccup and Astrid turn to see Snotlout excited and want to eat Twilight's food. Few second later, Twilight starts the round and Snotlout picks his sandwich first, which it is the first one. Astrid picks the third one and Hiccup picks the second one. As they eat, Snotlout finds his sandwich spice and bitter. Astrid's sandwich tastes sour, but good.
